RE: FLORENCE, Henry West
Order Regarding Dismissal of
Special Condition
Page 2 of 2

Florence began supervision in the Southern District of Mississippi on December 28, 2005. On January 13, 2006, contact was made with the MDHS/CRDU on behalf of Florence. According to an MDHS/CRDU official, Terry Oriely, Florence has two (2) current cases in their system. He was named as the father of two children in bench trials where he was not present to answer or defend himself as to the question of paternity. No paternity DNA tests have ever been done but MDHS/CRDU is currently tracking the cases and garnishing the Florence's wages at a rate of \$400.00 per month. After reviewing the totality of the situation, any further involvement in this state matter by the Federal Court is not necessary and should be the sole responsibility of MDHS/CRDU.

The Court therefore orders special condition "1", as listed on the Judgement and Commitment Order, to be dismissed. All remaining conditions of supervised release are upheld at this time.

SO ORDERED this the 28th day of February, 2006.
